2nd Annual CLE Cruise 2005

★ Houston Young Lawyers Association ★ Galveston County Young Lawyers Association ★
 ★ Fort Bend County Young Lawyers Association ★

This is a 4-Day Western Caribbean Cruise from Galveston, Texas to Cozumel, Mexico
March 3-7, 2005 on Carnival's Ecstasy

Classes will include lawyering basics such as: ★ the basics of divorce and child custody ★ DWI defense ★ basics to wills and trusts and practicing in the probate courts ★ discovery updates ★ ad litem issues and appointments ★ post-judgment and appellate advocacy ★ practice tips from the State Court Bench (just to name a few)

An excellent opportunity to meet your entire year's CLE requirements (17 hours, including 3 ethics hours will be provided)

This year we've already confirmed Justice George Hanks of the 1st Court of Appeals, Judges John Coselli, Grant Dorfman, Ken Wise, and John T. Wooldridge of the Harris County District Courts, and Municipal Judge Brian Wice as featured speakers.

For the price, this is the absolute BEST networking event you can attend all year. Not only does it give you a chance to earn all your CLE credit for the year, but it provides a unique and intimate environment to network and market with lawyers from across the State of Texas and members of our local judiciary.
