

Dear Fellow Young Lawyer:

When I became involved in my local bar association 10 years ago, I did not know the Texas Young Lawyers Association, and the goal to be its president was nonexistent. Since that time I have come to know TYLA and all the benefits it offers young lawyers, our profession and the community at large.

If elected, I promise to help you know TYLA and make it more relevant to you, regardless of your practice setting. It would be my greatest privilege and honor to continue my service to TYLA as its president. I would appreciate your vote.

Sincerely,

Greg Jackson
